Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

Bangalore.

ST
10/9/23

Sir,

I have the honor to submit herewith correspondence ending with letter Ref.C.No.12./23-24 dated 1st September 1925 from the Deputy Commissioner, Mysore District, regarding the opening of an Unani branch in the Ayurvedic College for teaching the Unani - system of medicine &r to state as follows.--

2. The subject was once before considered and in their Order No.2407-16/M.F.729-12-1 dated 12th March 1914 Government observed that as the Ayurvedic College was still in an experimental stage, it was inexpedient to enlarge its scope and that if suitable candidates are forthcoming who are prepared to undergo a course of study and training in the 'Unani' system in a recognized institution, Government would be pleased to sanction scholarships from the - Educational Funds not exceeding two in a year.

Again, while sanctioning the scheme of reorganization of the Ayurvedic College, Mysore, Government in para 5 of their order No. 519-20/M.F.522-18-2 dated 15th August 1919 directed the Mazral Superintendent to submit proposals for the teaching of the Unani system of medicine for the consideration of Government.

Not only did no student come forward to avail himself of opportunity afforded by the first order, but the Government

scheme sanctioned in the second order did not make any further progress owing to financial stringency and various other causes.

3. The Head Master and the members of the College Committee think that the opening of an 'Unani' branch is long over-due and that a first year class with four stipendiary students should be immediately opened and with Mr. Mustafa Sahel, Senior Hakim of the Unani' dispensary as Lecturer on Rs.30/-.

4. As the current year's budget has already come into operation and as provision for the opening of the Unani class could not be made owing to the lateness of the proposals received from the Head Master, ways and means for financing the scheme till the commencement of the next official year, when a provision in the budget could be made, were considered by me. The only institution to which the charges could be appropriately debited and which can bear the burden also is the Gumbuz at Seringapatam as according to the Comptroller's books it had a cash balance of Rs.10,422-9-1 on 01st June 1923 and an invested surplus of Rs.20,000/-. Providing funds for the advancement of education is not foreign to the aims and objects of Gumbuz, as formerly a sum of Rs.143-8-0 a month was being contributed for the maintenance of Hindustani schools at Mysore and Kolar.

In view of these facts, the Deputy Commissioner of the Mysore District was requested to place the matter before the Committee of Nazarin-ee-Koffs and obtain their views as to whether the charges of maintaining the classes till the end of the current official year could be met either from the annual recurring savings or from the accumulated savings at the credit of the institution and submit the same with his own opinion in the matter.

At a meeting held on 25th August 1923 the Nazarin-ee-Koffs are agreeable to the proposal made above and the Deputy Commissioner concurs with the views expressed by the Committee.

5. Since making the above reference to the Deputy Commissioner, copies of the final budget estimates for 1923-24 were received in

in this office and on an examination of the provision made on account of the College, it is observed that the enhanced grant asked for under "Scholarship" has been allowed and that there is likely to be enough savings to cover the expenses of the Unani classes during the next 10 months, as all the four classes do not contain the maximum number of scholarship holders.

6. The opening and maintenance of the 'Unani' class during the remaining 10 months of the current official year, assuming that the class will be opened on or after September 1923, will cost Rs.900/-

| | | |
|---|---|---|
| Pay of the Hakim | .. | Rs.300/- |
| Scholarships | .. | Rs.320/- |
| Equipments | .. | Rs.250/- |
| T o t a l | .. | Rs.870/- or |

Rs.900/- in round figures,

and I beg to recommend that the opening of the 1st year 'Unani' cl may be sanctioned, the cost thereof during the remaining months of the current year being met from either of the two sources mentione above. Sanction to include the cost of these classes in budgets future years may also be accorded.

I have the honor to be,

S i r,

Your most obedient servant,

K. Chandy

Amrai Commissioner.

Sir

With reference to your letter no. C. 1555 of 22-23 & 8-9-23 recommending the opening of an Unani branch in the Ayurved college at Mysore ~~for teaching the Unani system of medicine~~, I am directed to state that Govt do not think that the opening of a Unani class will

a single part-time teacher and four students, as proposed is likely to serve any useful purpose. Before any Munic class can be opened, it is necessary that a full scheme should be prepared providing for a regular course of studies, defining the period of the course and making adequate provision for the students undergoing the full course, so as to enable them to obtain a degree which will be recognized by everybody. I am, therefore, to request you to submit a ~~full~~ full scheme accordingly, as already called for in this office letter no. 2094/Mug 297-22-2 dt 16-1-23. ~~and also no. 1675/Mug 754-1922 dt [illegible]~~.
